

# Read and draw!

Read the text, understand and complete the drawing!

The two fish friends Bubbly and Babble are out swimming. They see Desiree Duck floating around. Bubbly decides to pull a prank on Desiree and swims up to her. She has no idea he's coming. When Bubbly starts nibbling at her feet she jumps and kicks back. Desiree hits him right in the face! Ouch! Babble laughs so much bubbles are rising from his mouth. This should teach Bubbly not to do pranks that are scary for others! Jordan Jellyfish is also laughing. He laughs so much his tentacles are all over the place!
